

Parent Notification

Compliance with Public Law 114-95, Section 1112(e)(1)(B)(ii)

To: Parents and guardians receiving this notice

From: Burch PK8

Date: March 4, 2025

Subject: Notification to Parents/Guardians that student is being taught by Non-Fully Certified Teacher

In accordance with Every Student Succeeds Act (ESA)/Parent's Right-to-Know, requires that parents be notified if their child is assigned a teacher for 4 or more consecutive weeks that does not hold an appropriate state teaching certificate in the area in which the teacher has been assigned. Consequently, I am taking the opportunity to inform you that your child's Social Studies and Science teachers, Mrs. Teeters and Mrs. Brewster, do not, currently, have the appropriate state teaching license certificate or permit.

Although your child's teachers do not have the appropriate state teaching certificate, we do believe that Mrs. Teeters and Mrs. Brewster are qualified to teach in the assignment. Our staffing decisions are made to provide the best qualified person available for each class. In addition, the campus administrator will be evaluating each teacher's performance in the classroom to ensure that your child receives quality instruction.

If you have any questions regarding your child's teacher assignment, please feel free to call Mrs. Brown, Principal, or Mrs. Jewell, Assistant Principal at 304-475-2700.

Sincerely,

Principal
