

Parent Survey

Evaluation of Dingess Elementary School

(As per WV Code 18-2E-5 and Policy 2320)

You will find below the five (5) criteria of an effective school. By each criterion, you will find a list of factors that may be used to determine if the school meets these criteria. Respond to your overall satisfaction of each of the five (5) criteria according to this scale:

VS-Very Satisfied

S-Satisfied

DS-Dissatisfied

1. **School Climate** VS _____ S _____ DS _____
 - The principal and teachers work toward common goals
 - Information about the school's purpose and goals is communicated to parents
 - The school is a safe and healthy place for my child
 - The school is run in an orderly manner
 - Students obey the schools rules
 - I feel positive about the school as a good place for my child to study and learn
 - Students have positive attitudes towards studying and learning at school
 - Parents receive frequent communications
 - Student work and awards are displayed throughout the school
2. **High Expectations** VS _____ S _____ DS _____
 - The teacher expects high, quality work from the students
 - Students are made to feel they can achieve
 - The principal sets high performance standards for the staff
 - The teachers are interested and cooperative when discussing academic achievement with parents
 - The school puts an emphasis on recognizing students for good behavior and academic achievement
 - Students are recognized for what they do rather than who they are
3. **Instructional Leadership** VS _____ S _____ DS _____
 - There seems to be adequate books and other materials for students to do their work
 - The school makes the academic program it priority
 - Parents are involved in the development of improvement goals set for the school
 - The principal and staff communicates to parents the importance of attending such events as open house and parent-teacher conferences
 - The principal is open to parental suggestions for improvement of the school
 - Visitors to the school are made to feel welcome
4. **Emphasis on Academics** VS _____ S _____ DS _____
 - Teachers seem to have specific written guidelines for what should be covered in their classes
 - Teachers seem to feel a responsibility to teach all student what they must know to pass their classes
 - Teachers emphasize correct reading, writing, spelling and math
 - Teachers are willing to give students extra help outside the class
 - Teacher make sure that all students pay attention to what is being taught
 - School policies such as discipline, attendance, tardiness and homework are strictly enforced in order to help students in their school work
5. **Monitoring** VS _____ S _____ DS _____
 - Parents are made aware of their child's scores on the county-wide testing program
 - Teachers let parents know how their child is doing in his/her classes through ways other than report cards
 - Teachers check the errors on students' papers and tests, return their papers, and let him/her know how to correct them
 - Teachers take time to give help to students who do poorly on tests and quizzes
6. **COVID 19 Closure** VS _____ S _____ DS _____
 - Instruction Delivery System
 - Meal Delivery System
 - Online Website Accessibility
