Is there an age range? NO

- McKinney-Vento applies to all school-aged children and youth as defined by state law.

Is there a citizenship requirement? NO

- Supreme Court case *Plyler v. Doe* (1982) makes it unlawful for schools to deny access to undocumented immigrants or ask about immigration status. McKinney-Vento must be equally applied to undocumented students

McKinney-Vento Identifies Homeless

Children and youth who **lack a fixed, regular, and adequate nighttime residence** –

- Sharing the housing of others due to loss of housing, economic hardship, or similar reason

- Living in a public or private place not designed for humans to live
- Living in cars, parks, abandoned buildings, bus or train stations, etc.
- Migratory children living in above circumstances

Fixed, Regular, and Adequate

Fixed:

Stationary, permanent, not subject to change

Regular:

Used on a predictable, routine, consistent basis

Consider the relative permanence

Adequate:

Lawfully and reasonably sufficient

Sufficient for meeting the physical and psychological needs typically met in a home environment

**Can the student go to the SAME PLACE (fixed)
EVERY NIGHT (regular) to sleep in a
SAFE AND SUFFICIENT SPACE (adequate)?**

School Selection

- Students experiencing homelessness may attend either:

 - **Enroll in the local attendance area school:**
 - Any public school that students living in the same attendance area are eligible to attend
 - **Remain in their school of origin:**
 - The school the child or youth attended when permanently housed; or
 - The school in which the child or youth was last enrolled

Dispute Resolution

District must establish a process for the prompt resolution of enrollment issues or school selection disputes:

- If a disagreement occurs, the district must:
 - Provide a written explanation of its decision, including the right to appeal the decision
 - Refer the parent/guardian/unaccompanied youth to the liaison, who will carry out the dispute resolution process as expeditiously as possible
- Unaccompanied homeless youth have the same right to dispute as parents/guardians
- **While the dispute is in process, students must be:**
 - **Enrolled immediately in the school in which enrollment is sought**
 - **Provided with school of origin transportation, if requested**
 - **Provided with all services for which they are eligible**
