Note from Teacher:

Hey Everyone! I know that we aren't going back to school this year but just know I am still here for you all! To support you and your child any way that I can. I am still conducting ELA/Math supports via and FB Messenger on Monday, Wednesday, and Friday between 1:00pm and 3:00pm until May 19th! You all may turn in your NTI Packet work at the school on Wednesdays between 12:00-1:00pm or send me pictures of the work via email at agooslin@k12.wv.us.

Today's Lesson:

Play hopscotch or a board game with your family. Focus on taking turns and sharing.

Note from Teacher:

This new way of learning helps us to realize that anything can be accomplished with a little effort. I hope your child is working well each day in their home learning environments. I appreciate the many photos and videos you have shared with me showcasing their hard work. Please know I am here for you and your child, if you need my assistance. These are very trying times for all of us and together we can overcome this challenge! I miss the time with my students that we lost. Stay Safe and Healthy at Home! 😊

Today's Lesson:

A community is a place where people live, work, and play. Write down things that can be found in your community. Ex. Grocery Store
