## NTI

**Grade Level: 1st – 5th**

**Content Area: Math**

**Date: May 13, 2020**

**Teacher: M. Bays**

**Teacher's email: [marsha.hackney@k12.wv.us](mailto:marsha.hackney@k12.wv.us)**

**Another way to contact me is: 606-984-5080**

### **Note from Teacher:**

**Hello Class!!! I hope each of you and your families are continuing to do well! Only ten more lessons to complete for me and then you are officially on summer break. I sure do miss you!!!! If you have any questions about these assignments, please have your parents to contact me.**

### **Today's Lesson:**

**Log on to [ABCYA.Com](http://ABCYA.Com) and select your level. You may choose a math game from the list to play.**

**If you do not have internet, then count the number of windows in your house. Now, Count the number of doors in you house. Does your house have more windows or doors.**
