Week 1 May

**Grade Level: 4th**

**Date: May 11, 2020**

**Teacher's email: dthornsbury@k12.wv.us**  
**contact me is: livegrades**

**Content Area: ELA**

**Teacher: Thornsbury**

**Another way to**

**Note from Teacher:**

**I hope this message finds you all well and safe. Remember to social distance**

**Today's Lesson:**

**Inference - taking what you read and you background knowledge on the topic to make a guess.**

**Read the passage and then answer the questions that follow. Make sure on number 2 to explain what information you used to figure out the answer.**

**Martin's little brother looked at the new bike a bit apprehensively. "Are you sure I won't get hurt?" he asked Martin. Martin replied, "Oh, you might fall once or twice, but you'll be okay. Just wear your helmet." Martin's little brother looked up at him, "And you will hold onto it so it doesn't fall over?" Martin nodded.**

**1. From this passage, what can the reader infer?**

- a. Martin's little brother doesn't trust him.**
- b. Martin is learning to ride a bike.**
- c. Martin's little brother is learning to ride a bike.**

**2. What background knowledge did you use to determine the answer?**
