

Matewan Pk-8

NTI

Grade Level: 4th-6th

Content Area: Math

Date: Apr. 2020

Teacher: Mrs. Huddle

Teacher's email: khuddle@k12.wv.us

Another way to contact me is: Facebook Messenger

Note from Teacher: This is a second activity you can do. I'll display this activity in the hallway. Have fun. You are so creative.

Today's Lesson: Divide a sheet of paper in half. On one side draw a picture or symbol. Then, draw the same image in a rotation, reflection, or translation on the other side of the paper. Label that side as either rotation, reflection, or translation.
